5th December 2022

4th EUROPEAN WINTER GAMES
TIGNESPACE Convention Center
Tignes – Le Lac 2100, France
21st to 27th April 2023

Dear Presidents, dear friends,

Now, for the very first time, you have a real opportunity for your NBO to earn a contribution through your membership communication methods!

If you can persuade any of your members who have not previously participated in the Winter Games to take part in the 2023 edition, the EBL will send you **€50** for each new participant.

You may then use those funds however you please, for promotion, for Juniors etc.

When the Winter Games concludes on the 27th April 2023, we will review all the entries and make the payment for all your eligible **NEW** players - so over to you!!

Best regards

Eric Laurant
